

MODEL STUDENT AGREEMENT

AGREEMENT FOR TUITION-WAIVER SCHOLARSHIP HOLDERS

ERASMUS MUNDUS JOINT MASTER'S DEGREE PROGRAMME Excellence in Analytical Chemistry - EACH

The following Agreement is between the Coordinator, the University of Tartu, Faculty of Science and Technology, on behalf of the EACH Consortium formed by the following universities:

1. University of Tartu (UT), Estonia
2. Uppsala University (UU), Sweden
3. University Claude Bernard Lyon 1 (UCBL), France
4. Åbo Akademi University (AAU), Finland

Represented by the Coordinator, Head of the Study Abroad Centre,

and the Student (the Student's first name(s) and surname)

Date of birth or ID number _____

Both parties agree with the following terms and conditions.

THE EACH PROGRAMME AND ORGANISATION OF STUDIES

1. Structure of the EACH programme

1.1. The Student engages to pursue the Erasmus Mundus Joint Master's Degree programme **EACH** which is approved and funded by the Education, Audiovisual & Culture Executive Agency (EACEA) of the Commission of the European Communities under the Erasmus+ Programme (for more information about EMJMD programme see Erasmus+ Programme Guide - section EMJMD).

1.2. The modules (with ECTS credits in parentheses) of the EACH programme are:

1.2.1. At UT: General Analytical Chemistry module (21); Metrology and Quality Management module (9); Socio-economical module (12); Elective courses (9); Internship (practical speciality training) (6); Optional subjects (3).

1.2.2. At UU: Organic and bioorganic analysis and multimodal separation (30).

1.2.3. At UCBL: Industrial analytical chemistry module (30); French language (3).

1.2.4. At AAU: Electroanalysis module (25); Swedish language (5).

1.2.5. Master's thesis (30) is a jointly delivered module. It includes the Winter School as one of its mandatory components.

1.3. Detailed information regarding the structure and organization of the EACH programme is published on the programme's website <https://each.ut.ee/EACH/>.

1.4. The language of teaching of the EACH programme is English.

2. Study-tracks and milestones of the study period

2.1. The standard study period of the EACH programme is two years, and it runs from the beginning of September 2018 until September 2020.

2.2. The first-year university is UT, Estonia. The academic year starts on 03.09.2018. The orientation course (two-three days) takes place one week before the start of the academic year (last week of August). The examination periods of the first academic year are: second week of January to the first week of February 2019 and third week of May to second week of June 2019.

2.3. The academic calendars of the second-year universities are available at: <https://each.ut.ee/EACH/study-regulations/>.

2.4. The second-year university will be one of the following: UCBL, UU, AAU. Further information on the EACH programme study-tracks is available at: <https://each.ut.ee/EACH/the-study-program/>.

2.5. The Student will be assigned to one of the three second-year universities, indicated above, on the competitive basis considering the following criteria:

2.5.1. academic merit – the first semester’s academic performance (GPA-grade point average of obligatory courses);

2.5.2. Student’s preference - The Student can express the preference twice: at the time of admission and during the Winter School, in the second half of January. In both cases, the Student is required to rank 2 choices out of 3 possible.

2.6. The decision as to which second-year university the Student will be assigned is made during the Winter School, in the second half of January 2019. Using the Students grades (GPA), and also taking their preferences into consideration, the EACH Academic Board assigns the Student to one of the second-year universities.

GRADING AND CREDITS

3. Grading and credits:

3.1. All institutions involved allocate ECTS credits to courses completed successfully. 15 ECTS credits requires on an average 10 weeks of Student’s work (including independent work).

3.2. Examination methods used in all universities involved in the EACH programme include: written and oral examination, practical tasks. Performance is evaluated according to the regular procedures and methods applied to all students in the universities involved. The Student must meet the requirements set for examinations established by the respective university where the Student is studying.

3.3. The following scaling table shall be used when transferring the grades:

Status	Grade	ECTS Equivalent	UT	UCBL*	UU	AAU	Percentage of acquired knowledge
Pass	Excellent	EXCELLENT - outstanding performance with only minor errors	A	16-20	5	5	91-100
Pass	Very good	VERY GOOD - above the average standard but with some errors	B	14-16		4	86-90
					4	81-85	
Pass	Good	GOOD - generally sound work with a number of notable errors	C	12-14	4	3	71-80
Pass	Satisfactory	SATISFACTORY - fair but with significant shortcomings	D	11-12	3	2	61-70
Pass	Sufficient	SUFFICIENT – performance meets the minimum criteria	E	10-11	3	1	51-60
Fail	Insufficient	FAIL - further work is required	F	<10	F	F	50 or below

* Score 16 corresponds to A.

3.4. Rules governing other matters of studies, such as registration to courses, requirements for thesis submission and defence, internship duration and reporting etc. are described at: <https://each.ut.ee/EACH/study-regulations/>.

COORDINATOR'S RIGHTS AND OBLIGATIONS

4. The Coordinator has the right to:

4.1. establish rules and regulations necessary for efficient functioning of the EACH programme;

4.2. charge the established participation cost from the Student, unless indicated otherwise in the present Agreement;

4.3. expulse the Student from the EACH programme in the case of academic misconduct (incl. plagiarism, the disrespecting of deadlines, etc.) or poor academic progress.

4.4. use photo-, audio- and video-materials collected during events related to the EACH programme for promoting the programme (on the website, in brochures, etc.) with the consent of the Student. The student has the right to withdraw from the previous permission at any time.

5. The Coordinator is obliged to:

- 5.1. inform the Student well in advance of any significant changes in the EACH programme;
- 5.2. establish participation cost in accordance with real costs;
- 5.3. make available all necessary facilities and guarantee that all measures are taken to provide safe and well-equipped learning environment;
- 5.4. make all arrangements necessary for the successful completion of internship in one of the companies or laboratories selected by the EACH programme Consortium.

STUDENT'S RIGHTS AND OBLIGATIONS

6. The Student is obliged to comply with the following rules:

- 6.1. to familiarize himself/herself with all the information regarding the structure and organization of the EACH programme published on the EACH programme's website;
- 6.2. to commence studies at UT at the beginning of the EACH programme and at a second-year university in accordance with deadlines set in respective academic calendars;
- 6.3. **to study full time** and abide by the first- and second-year universities' study regulations;
- 6.4. to follow the rules and regulations established for using laboratories, other related facilities and information technology infrastructure at the first- and second-year university. In particular, to undergo safety instruction for the use of laboratory facilities;
- 6.5. to inform the Consortium Administrative Coordinator if either academic or administrative difficulties arise;
- 6.6. to inform the Consortium Administrative Coordinator if the Student is forced to interrupt the EACH programme for a certain period of time on valid grounds (health, pregnancy, military duty, etc.);
- 6.7. to immediately inform the Consortium Administrative Coordinator of the Student's intention to quit the EACH programme;
- 6.8. to follow the Consortium's Academic Code of Conduct, available in the Study Regulations section at <https://each.ut.ee/EACH/study-regulations/>.

7. The Student is obliged to follow the courses of the EACH programme for the value of at least 60 ECTS in the first year and pass all the obligatory courses of the first year. Out of these 60 ECTS credits, 6 ECTS credits will be allocated for the internship, and these 6 ECTS credits will be awarded at the end of the second semester. If the Student fails to earn 60 ECTS credits in the first year or fails to pass any of the first year's obligatory courses, he/she is asked to submit to the Consortium Committee a clear individual study-plan for the successful completion of the EACH programme. It is in the capacity of the Consortium Committee to decide how and if the Student can continue studies in the second-year university. If the Student is unable to continue the studies in the EACH programme the Consortium is expected to offer the Student a study-place in a similar study programme, yet the Consortium is not obliged to guarantee an opportunity to study free of charge.

8. The Student is expected to participate in the EACH programme surveys/evaluations.

9. The Student is obliged to join the Erasmus Mundus Students and Alumni Association (EMA, see <http://www.em-a.eu/>) after graduation of the programme.

10. The Student has the right to:

- 10.1. follow the courses and any other type of teaching activity integrated into the EACH programme (such as Winter School, internship).
- 10.2. have access to laboratories, other related facilities and information technology infrastructure at all universities of the Consortium in accordance with the rules and regulations established for using laboratories, other related facilities and information technology;
- 10.3. receive administrative support at all universities of the Consortium;
- 10.4. have adequate educational support throughout the EACH programme and supervision of the master's thesis;
- 10.5. contact Consortium Administrative Coordinator for issues that require immediate attention via e-mail: each@ut.ee;

10.6. receive guidance and counselling at the time of selecting the institution for internship and negotiating with the given institution, if necessary. The list of companies and laboratories available for the EACH Students for internship placements are accessible at: <https://each.ut.ee/EACH/training-placements/>.

TUITION-WAIVER SCHOLARSHIP AND TUITION FEE

11. The Student has been granted a tuition-waiver scholarship. The tuition-waiver scholarship covers the following:

11.1. tuition-waiver throughout the EACH programme and essential study materials (including the language courses);

11.2. orientation course and reception upon arrival to first- and second-year universities;

11.3. on-going support service and counselling by the corresponding administrative units at both universities. The services include consultation on local registration, bank account, etc.;

11.4. tutors/student assistant to help with everyday issues like settling in the dorm, registering for courses, getting medical help, etc.

12. In full-time studies the Student will not pay tuition fee provided the Student follows full time workload each semester.

13. The Student will not pay the tuition fee in the first semester. In the second semester, the Student will not pay the tuition fee if the Student earns at least 24 ECTS credits prescribed in the EACH programme in the first semester. By the end of the second semester, the Student is obliged to follow the courses of the EACH programme for the value of at least 54 ECTS and pass all the obligatory courses of the first year to avoid payment for the missing ECTS credits. The ECTS credits to be obtained for the internship (6 ECTS) will be allocated at the end of the second semester.

NB! For transferring to the second-year university, 60 ECTS credits prescribed in the EACH programme must be completed at UT (as stated in clause 7).

14. If the Student shall not fulfil the conditions prescribed in clause 13, the Student needs to submit to the Consortium Committee a clear individual study-plan for the successful completion of the EACH programme. It is in the capacity of the Consortium Committee to decide how and if the Student can continue studies in the second-year university. The Consortium has the right to charge for missing ECTS credits in accordance with the Conditions of Compensation of Study Expenses, for more details, please see <http://www.ut.ee/en/university/documents> and <http://www.ut.ee/en/prospective-students/tuition-fees-0>.

15. In part-time studies, the Student is obligated to pay the tuition fee as a semester fee or based on the credit point price. If the Student who wishes to study part-time would prefer to pay the tuition fee based on the credit point price, the Student must inform UT thereof by September 20 in the autumn semester and February 20 in the spring semester. The tuition fee rate is published on the website of UT (<https://www.ut.ee/en/prospective-students/tuition-fees-0>) and on the EACH programme's website (<http://each.ut.ee/EACH/tuition-fees-scholarships/>).

16. While the Student is registered as being on academic leave or during extension of studies the Student will pay the tuition fee in accordance with the Conditions of Compensation of Study Expenses <http://www.ut.ee/en/university/documents>.

17. If the Student has obtained less than 30 ECTS credits prescribed in the EACH programme by the end of the second semester the Student will be excluded from the EACH programme and exmatriculated from the University of Tartu.

18. The Student who holds tuition-waiver scholarship and who decides to withdraw his/her application before or during the study-period, or who is excluded from the EACH programme due to lack of (or insufficient) performance, or academic misconduct has, after adequate information/warning from the Consortium, the tuition-waiver scholarship stopped.

DEGREES TO BE AWARDED

19. Upon completion of the EACH programme, the Student is awarded with two master's degrees and Diploma Supplements from the universities in which he/she has studied. The degrees are legally recognized by the relevant national authorities. The degrees to be awarded depend on the assigned study-track. The possible combinations are the following:

- Master of Science (Excellence in Analytical Chemistry) - UT + Master of Science – UU
- Master of Science (Excellence in Analytical Chemistry) - UT + Master of Science (Technology) (Masters Programme in Excellence in Analytical Chemistry) – AAU
- Master of Science (Excellence in Analytical Chemistry) - UT + Master of Physical and Analytical Chemistry (Industrial Analysis) – UCBL

TERMINATION, CHANGES AND DISPUTES

20. The Agreement will terminate as of exclusion of the Student from both the first- and second-year university.

21. All alterations to the initial Agreement must be immediately communicated by the Student to the Academic Coordinator. Any changes to the present Agreement must be communicated in writing.

22. Any disputes that have arisen in the performance of this Agreement shall be resolved by negotiations. If the parties fail to resolve their disputes by negotiations, they shall be referred to the Tartu County Court (Estonia) for resolution. Any matter relating to the interpretation or application of this agreement which is not covered by its respective terms, shall be resolved by reference to the laws of Estonia.

23. The signatories declare that they have read and accept the conditions laid down in the present Agreement.
