2.2. The first-year university is UT, Estonia. The academic year starts on 31.08.2020. The orientation course takes place August 26-28, 2020. The official examination periods of the first academic year are: December 2020 to January 2021 and May to June 2021. The exact exam times will be agreed with the lecturer of each course and the timing depends on the course duration.

2.4. The second-year university will be one of the following: UCBL, UU, AAU. Further information on the EACH programme study tracks is available at: <https://each.ut.ee/EACH/the-study-program/>.

¹ The Winter Schools take place between semesters one and two, and semesters three and four. The WS is usually held as an intensive seminar during one week in January. If needed, the WS can be conducted as online teaching. In case the WS is cancelled by the organisers due to unforeseeable reasons the number of obligatory participations at WS is reduced.

2.5. The Student will be assigned to one of the three second-year universities, indicated above, on the competitive basis considering the following criteria:

2.5.1. academic merit – the academic performance during the first semester (GPA-grade point average of obligatory courses);
