¹ The Winter Schools take place between semesters one and two, and semesters three and four. The WS is usually held as an intensive seminar during one week in January. If needed, the WS can be conducted as online teaching. In case the WS is cancelled by the organisers due to unforeseeable reasons the number of obligatory participations at WS is reduced.

2.2. The first-year university is UT, Estonia. The academic year starts on 04.09.2023. The official examination periods of the first academic year are: December 2023 to January 2024 and May to June 2024. The exact exam times will be agreed with the lecturer of each course and the timing depends on the course duration. The academic calendar of UT is available at <https://ois2.ut.ee/#/academic-calendar>.

2.3. The second-year university will be one of the following: UU, UCBL, AAU. Further information on the EACH programme study-tracks is available at <https://each.ut.ee/EACH/the-study-program/>.
